

# **NANAIMO DOWNTOWN FARMERS' MARKET SOCIETY**

## **CONSTITUTION**

The purposes of the Society are:

The promotion of farmers, crafters and bakers from the Vancouver Island area and to provide a location for them to sell their produce or products in Nanaimo. The Society will also support, as decided by the Board of Directors, special markets that honour local events or enhance tourism. The Criterion for the sellers is that they personally “grow it, make it or bake it.”

The Board of Directors shall make donations, where financially feasible, to charitable organizations within the greater Nanaimo area as refined from time to time within the By Laws.
